

## Oklahoma Peak Performance Private and Group Lessons' Coaches

Below is a list of coaches approved to give lessons at the Peak Training Facility. This list does not indicate availability during the year. As many of our coaches also coach middle school, high school, and college volleyball, you will need to contact individual coaches to determine their availability at any given time during the year. Also, coaches set their own lesson schedules, fees, and cancellation policies.

**NOTE: To ensure no potential conflict of interest exists, OP2 board policy prohibits coaches from providing lessons to players in the age group in which they are coaching a team until tryouts conclude. After tryouts, coaches can provide lessons to any player that is not on their team.**

Coaches are listed alphabetically.
